PROFILE ID TITLE: FS QA SPEC DISALLOW

FULL TIME: Food Stamp Quality Assurance Case Specific Disallowance

REPORTING INSTRUCTIONS:

The state will assess a disallowance for Food Stamp Quality Assurance errors. A case specific QA disallowance is a adjustment made by DES to a local agency's administrative reimbursement when the functions performed by the agency result in an incorrect benefit payment in the FS program. DES will take a case-specific disallowance when a case error is discovered by the federal QA staff. Disallowances will equal the benefit error amount for the month of the QA review. The disallowance may be reduced by 50% or 100% through the following procedures:

A 50% credit will be applied if the agency corrects the error timely.

A 100% credit will be applied if the agency corrects the error timely AND the agency operates an approved Targeted Case Review System.
